NOTICE AND ORDER

By order of the Stevens County Fire Marshal, and pursuant to Resolution 47-2008, adopted in regular session of the Board of County Commissioners on June 30, 2008,

OPEN BURNING is hereby ordered discontinued in the unincorporated areas of Stevens County until further notice effective July 4th, 2015, unless this order is otherwise lifted or permitted by law or authorized agencies. Open burning is any fire other than those permitted below:

This order is not intended to preclude the use of backyard barbecues for the purpose of food preparation only. A water source must be readily available within 25 feet. The use of retail commercial fireworks is strongly discouraged. Any fires started from the discharge of legal or illegal fireworks will be investigated as reckless burning.

Violations of this order shall be investigated and prosecuted by the Stevens County Sheriff's Office/Stevens County Fire Marshal, and the Stevens County Prosecuting Attorney pursuant to the provisions of IFC Section 109, or other applicable state law. Any person(s) conducting open burning who fails to take immediate action to extinguish or otherwise discontinue such burning when ordered or notified to do so shall be guilty of a misdemeanor.

A violation of this order is a misdemeanor and shall be punishable upon conviction by a fine of not more than \$500 or imprisonment for not more than 90 days, or both. (Stevens County Building Code Ordinance 02-1984 Section 7).

Signed and so ordered this 4th day of July, 2015
